

Timothy Edwards Middle School

PTO Family Membership

Welcome to the new school year! PTO is a volunteer organization dedicated to working with parents, families, teachers and administration for the benefits of the school. PTO helps to provide many support services throughout the year. Membership provides you the opportunity to participate in meetings by expressing ideas, giving opinions, involvement in events and voting on items brought to the board. It is a wonderful form of open communication between school and home and of course pretty AWESOME!!!

PTO membership dues are \$5.00 annually per Family! All monies collected from dues will be used by the PTO to help continue and enhance our children’s educational experiences here at TEMS. We know that none of this would be possible without the amazing help and support of our families, friends and community.
